

# Diego Asensio

Frontend Developer | JavaScript & React

Buenos Aires, Argentina · [linkedin.com/in/diego-asensio/](https://linkedin.com/in/diego-asensio/) · diego.asensio@davinci.edu.ar

Frontend Developer with over 3 years of experience building responsive, accessible, and SEO-optimized web interfaces. Specialized in JavaScript and React, with a strong focus on performance, usability, and frontend best practices. Experienced in collaborating with multidisciplinary teams and delivering projects for international clients.

## PROFESSIONAL EXPERIENCE

### Luxury Presence - United States (Jun 2022 – Present)

Subdomain QA

- Performed quality assurance (QA) to ensure usability standards and frontend best practices.
- Mentored new team members, supporting onboarding and daily development workflows.

Frontend Developer / Web Builder

- Developed web interfaces using React JS for real estate agents and agencies.
- Implemented responsive layouts using Flexbox and media queries, ensuring cross-browser compatibility.
- Optimized websites for performance, accessibility (WCAG), and on-page SEO.
- Collaborated closely with designers and backend developers to integrate features and maintain visual consistency.

### EY (Ernst & Young) - Buenos Aires, Argentina (Nov. 2021 - Jun. 2022)

Junior DevOps Engineer

- Automated and unified development processes.
- Integrated and deployed code through CI/CD pipelines.
- Maintained and managed applications in production environments.
